## EXPERIENCE

### Freelance Assistant Editor

*Feb 2023 - Present*

Collaborated on a team to create digital campaign spots for feature films and documentaries. Sourced and organized B-roll, Sound FX, temporary music, and stock footage. Created Breakdown sequences for the editors. Worked on Ripomatics, trailers, and social campaigns for independent films.

### Assistant Editor - 'Home: A Mother of 3000', Documentary Feature

*Eccentric Artists*

Media managed on set and made multiple copies of media. Synced audio and visual, made selects reels, marked important interview moments for the lead editors.

### Assistant Editor - CES Las Vegas, Live Event

*Yahoo / Blink Media*

Offloaded media from multiple camera cards, made copies of media, and imported footage into sequences for the lead editor. Provided support to ensure quick turn arounds for our same day delivery.

### Lead Editor - 'Life Almost Gone', Independent Feature

*Olympian Productions*

Ingested footage, cut scenes, as well as composited VFX to perfect the shots. Lead the post production team and coordinated deliveries to complete the film.

### Motion Capture Technician - SuperAlloy Interactive

*Jan 2022 - Mar 2024*

Assisted on motion capture shoots for film and video game play. Aided stunt performers in grabbing mats and props, as well as operated witness cameras. Remained attentive to the crew's needs, went on errands and pick ups when needed.

### Freelance Production Assistant

*Sept 2021 - Present*

Assisted on projects varying from feature films, television, commercial, and live events. Lent support to crews, picked up lunches, completed runs and errands. Managed crowds and extras, kept inventory of equipment. Drove talent and operated company vehicles.
